

NOTA/CCIO NETWORKING EVENT

April 21, 2017

“The currency of real networking is not greed,
but generosity.”

Keith Ferrazzi

i6. You are an educational interpreter in a high school. Right after class, the 15 year old LEP female student you interpret for comes up to you and tells you that she is pregnant and that she would like you to keep it confidential. She is afraid to tell her parents and the school, too. What do you do?

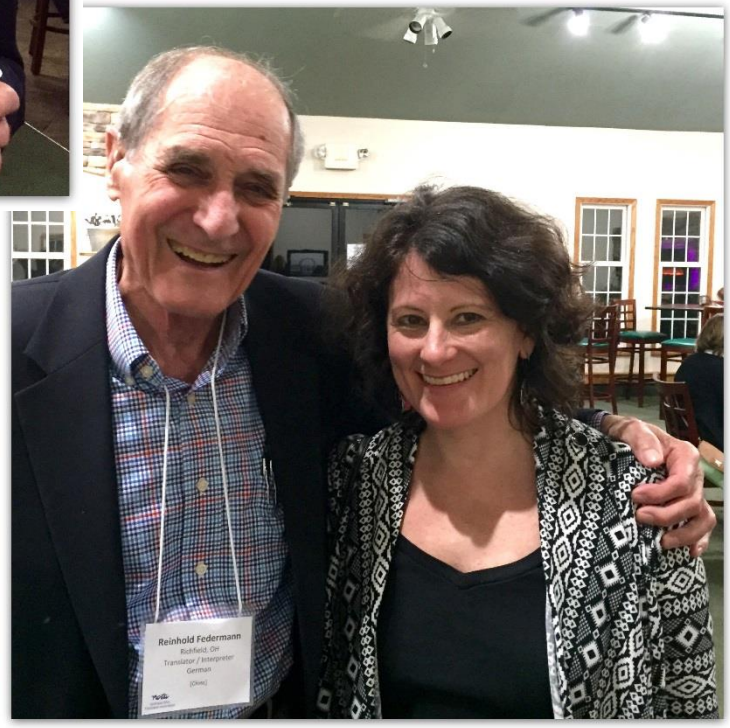

“I've learned that people will forget what you said,
people will forget what you did,
but people will never forget how you made them feel.”

Maya Angelou
